SOCIETY AS PART OF THE BOSTON TEA PARTY'S  
250<sup>TH</sup> ANNIVERSARY COMMEMORATIVE YEAR**

*NEW Genealogical Descendant Program Specific Only to Lineage of Boston Tea Party Participants*

BOSTON (March 11, 2023) – It is National Genealogy Day and thanks to groundbreaking research into the lives of the Boston Tea Party participants, descendants of these original patriots will, for the first time ever, be able to join an exclusive lineage society that honors their ancestors. Today the new Boston Tea Party Descendants Program is being launched by the Boston Tea Party Ships & Museum, dedicated to accurately reliving and representing a key time in history (1773-1775), in partnership with American Ancestors/New England Historic Genealogical Society, the nation's first and leading center for family history research. The announcement comes during this 250<sup>th</sup> anniversary year of the Boston Tea Party, a momentous event that forever changed the course of American history.

This program will allow anyone with a family tree connection to an ancestor that took part in the Boston Tea Party to join this new member-based lineage society, with all research vetted by experts at American Ancestors/New England Historic Genealogical Society, America's oldest and largest genealogical society. The mission of the Boston Tea Party Descendant Program is to create a qualified lineage membership program dedicated to honoring and perpetuating the memories of those who actively participated in the Boston Tea Party and to foster interest in genealogical connections to participants in the Boston Tea Party, their families and those involved in this "single most important event leading up to the American Revolution".

"We are thrilled to create this first-ever Boston Tea Party descendant online portal of America's first patriots in partnership with the American Ancestors/New England Historic Genealogical Society in this 250<sup>th</sup> anniversary year of the Boston Tea Party," says Shawn P. Ford, Executive Director for the Boston Tea Party Ships & Museum. "It is our hope to educate, inspire, and make genealogical connections to those who participated in the Boston Tea Party. American families – new and old – can benefit from knowing about their heritage in the context of this pivotal moment in history."

One feature of the Boston Tea Party Descendants Program will be a public-facing digital portal that members will help build through their contributions in the form of family papers, documents from other genealogical organizations etc. The Boston Tea Party Descendants Program will maintain digital records of all submitted applications with accompanying documentation and will continue to grow into the ultimate online resource for descendants, their families, researchers, and organizations, and live in perpetuity to bring a further personal and cultural understanding and connection to their shared history to the revolutionary event known as the Boston Tea Party.

"To date, there has never been comprehensive genealogical research produced that specifically looks at the Boston Tea Party participants," says Brenton Simons, CEO of American Ancestors/New England Historic Genealogical Society. "People are always excited when they can make a personal connection to the past and thanks to this new research into the lives of the Boston Tea Party participants, individuals will be able to link their ancestry to one of the most famous acts of defiance in history, and to join a group of members with that

common connection. It's a thrilling way to inspire people to find out more about how their ancestors shaped the world we live in today!"

Applications for membership in the Boston Tea Party Descendants Program will be vetted by full-time professional genealogists at the American Ancestors/New England Historic Genealogical Society. Each application will be reviewed for genealogical integrity and historical accuracy before membership is approved.

The initial fee for applying to the Boston Tea Party Descendants Program is \$400 which includes processing and vetting. Once accepted to the program, depending on the qualifying ancestor, members are invited to join one of the following membership tiers:

- **Lineage Member:** Includes any documented descendants from the following groups: Boston Tea Party Participants, Loyal Nine, Boston Sons of Liberty, North End Caucus, St. Andrew's Lodge, Ship guard volunteers, or Signers of November 1773 petitions to town selectmen. \$125 annual fee.
- **Eyewitness to History:** Includes any documented descendants from inhabitants of Boston in 1773, or any eyewitnesses to the Boston Tea Party. \$100 annual fee.

For those who do not have Boston Tea Party ancestry but are interested in this program, they can join this membership tier (which waives the \$400 vetting fee):

- **Co-conspirator:** Researchers, educators, or members of the public who wish to support the program. \$75 annual fee.
